### About the Center:

Our center prioritises recognising and implementing all of the cultures and family backgrounds of the children in our care.

We strive to align with the school's personal ethos and objectives.

### About the Staff:

We are a small diverse team with caring and long-standing staff.

Our approved provider is a local resident of Hammond Park with over 15 years of experience in childcare.

Our Educators are dedicated to high-quality care. They do this by tailoring experiences to your child's interest, incorporating their own cultural skill sets and passions along the way.

ENROLMENTS ARE  
OPEN FROM  
NOVEMBER 2023
